Description

Luminous Power Technologies is a powerful and trustworthy brand with a wide range of innovative products in power backup, home electrical and residential inverters Batteries.

This RED CHARGE 12V 200Ah RC25000 Tall tubular inverter battery is an economical range of tubular batteries with high performance, made using rugged tubular plates. These batteries require minimum maintenance and withstand long and frequent power cuts.

FEATURES - RED CHARGE 12V 200Ah RC25000 Tall tubular battery

- Factory charged.
- Easy maintenance.
- Higher Reliability.
- Excellent Charge Acceptance.
- Low antimony alloy used-very low maintenance.
- Robust tubular plates provide many years of service.
- Excellent overcharge tolerance (accepts very deep discharge-suitable for areas with long power cut).
- High Durability with sealed plastic housing.
- Designed to have a life of over 1250 cycles at 80% Depth of Discharge (DOD)

SPECIFICATIONS - RED CHARGE 12V 200Ah RC25000 Tall tubular battery

Brand	LUMINOUS
Model	RED CHARGE RC25000
Voltage	12V DC
Capacity	200Ah
Type of Battery	Tall Tubular
Inverter support	All Brands & All types of inverter
Factory Charged	Yes
Water Level Indicator	6 Indicators Available
Maintenance	Required (Low Maintenance type)
Warranty	36 Months Warranty
Warranty Terms	18 Months Replacement and 18 Months pro rata
Dimensions (L*W*H) in mm	502 x 191 x 412 mm
Weight in Kgs (approx.)	60 Kgs
Preventive Maintenance Support	Available from Kongu Energies, Chennai (Optional)
After sales service	Warranty Service support by LUMINOUS
